Whether you like sipping cocktails with new friends or want to party like there's no tomorrow on a sandbank in the middle of the Pacific Ocean, this is the trip for you!

We've curated the best Hiphop & RNB DJ's, hosts, and experiences to bring you the ultimate Party in the Pacific.

# DAY 1

**Meet the Crew**

**Airport Costume Takeover**

**Pre-flight Drinks**

**98ft Yacht Party**

**Exclusive Chartered Island**

When you arrive at the airport, you'll spot the Party in the Pacific crowd dressed in fun costumes while our team handles the check-in process. Pick up your Party in the Pacific welcome bag and our crew will tag your luggage so it's ready to be delivered to your room.

After check-in, make your way through customs and join the group for some pre-flight drinks. If you're travelling solo, don't worry, our team will help connect you with other solo travellers so you can start making friends right away. Just remember not to go too hard yet... we have five incredible days and nights ahead!

When we land in Fiji, you'll be welcomed with a warm "BULA!" Our chartered coaches will be waiting and clearly signposted for you to hop on. From here your bags will be taken care of and delivered directly to your room while we take the scenic route to our privately chartered 98-foot party yacht, complete with a massive sound system, live DJs, and a fully stocked cash bar. It's the perfect start as we cruise to our exclusively chartered island for your very first night of partying in paradise.

# DAY 2

-  **Snorkelling & Mini Golf**
-  **Scuba diving & Surf trips\***
-  **Locals vs. Trippers Tug of War Competition**

To help you get the most out of your Party in the Pacific adventure, there are also several free activities available on the island, including snorkelling and mini golf. If you're craving even more excitement, you can choose from extra activities such as scuba diving, surf trips, or relaxing massages.

If you're feeling competitive, keep an eye on the activity board for our fun "Locals vs Trippers" challenges. Winning teams can score bar tabs and bragging rights, with the action kicking off with an epic tug-of-war battle! When the tide pulls back, the real party begins. We set up a pop-up bar, bring out the speakers, and host our legendary Sandbank Party, right in the middle of the ocean.

Later, when you're back on the island, switch up the fit and run it back to the early 90s and 2000s. Think legendary artists from the era, iconic fashion moments, and throwback anthems all night long. This is set to be one of the standout nights of the whole trip.

Every morning we place our crystal-clear speakers in the ocean and take you out by boat for a unique snorkeling session surrounded by music. It's a magical way to start the day - so shake off the hangover, jump in the water, and join the fun.

Later in the day, get ready for the Locals vs Travellers volleyball competition. Team up with your roommates and new friends, bring the energy, and aim to take home the win! Throughout the trip, keep exploring the island because hidden tiki tokens appear each day. If you find one, you could win awesome prizes, including the chance to score a free trip back next year!

In the afternoon, our sound system hits the sand for the ultimate beach session. This year, we're handing the stage over to YOU with our open mic and open deck session! After enjoying dinner at the daily buffet, get ready for Survivor night.

Outwit, Outplay, Outlast the evening at our Survivor inspired party! Will you be able to find the hidden immunity idol?
